The financial commitment for the City of Waterloo project submittals:

1. Dry Run Creek installation – the City of Waterloo has the required \$50,000 match in Storm Water Management bonds available in its current bond sheet. The funds would be available right now.
2. Virden Creek levee improvements - the City of Waterloo will prioritize the \$600,000 in bond funds for the required match. The City of Waterloo is dedicated to this project, and annually bonds \$6 million per year in overall capital improvements. The funds would then be available in June/July 2011.
3. Riverfront Stadium levee improvements - the City of Waterloo will prioritize the \$700,000 in bond funds for the required match. The City of Waterloo is dedicated to this project, and annually bonds \$6 million per year in overall capital improvements. The funds would then be available in June/July 2011.
4. Sandbagging Building - the City of Waterloo has the required \$50,000 match in Building Facility Improvements bonds available in its current bond sheet. The funds would be available right now.

If you have any questions or need any additional information on this matter, please feel free to contact me at 319.291.4366.
